### What are the Autism Internet Modules (AIM)?

AIM is designed to provide high-quality information and professional development for anyone who supports, instructs, works with, or lives with someone with autism. AIM modules are available at no cost. Each module guides you through case studies, instructional videos, pre- and post-assessments, a glossary, and much more. Certificates are available for a fee.

## **OVERVIEW OF MODULE ORGANIZATION:**

Introduction

Objectives

Pre Assessment

Content (Instruction, instructional videos, case studies, activities)

Summary

Post Assessment
